1. It is the sender's responsibility to adequately package and label good.
2. Please note there is no dedicated refrigeration for goods stored or in transit
3. Peddells Thursday Island Tours are not a common carrier and reserve the right to refuse to carry any goods whatsoever
4. If the parcel is fragile please mark clearly FRAGILE, all due care will be taken but it will be necessary for the sender to complete a damage waiver when sending fragile items.
5. Please note there is no refrigeration to store goods.
6. The sender is responsible for holding their own insurance on freight items and luggage or any travel with this service
7. This is a jetty to jetty service and receivers are required to meet the vessel to collect their goods.
8. Goods are usually placed onto the jetty for collection soon after arrival therefore it is the receiver's responsibility to be ready and waiting the arrival of their goods and collect once off loaded, if the item is not off loaded the receiver should make a request to the captain to collect the item.
9. We cannot accept responsibility for off loaded goods nor during transit.
10. Should goods be held in storage, a daily storage rate will apply.
11. Peddells Thursday Island Tours have informed me that the items as identified by the above description are either insufficiently packed and / or not suitable for safe sea transportation/ perishable/ outside weight or size limit and I further understand that these items will be shipped at my own risk and I release Sea-Cat Charters Pty Ltd T/A Peddells Thursday Island Tours from any responsibility of any damages and or loss of these goods that may occur.
