To our valued travellers,

Re: Ferry Fare Increase effective 5th June 2024.

We have recently reviewed the fares currently applicable to our Thursday Island – Seisia passenger ferry service.

Like most businesses, our ferry service is faced with steady increases in our operating costs. Every effort is made to limit the effect of price increases but since we have not increased our fares in over twelve months, we can no longer absorb the additional costs.

Every aspect associated with operating and maintaining commercial passenger vessels has been impacted by significant cost increase from services, repairs and maintenance to insurance, permits, fees and charges.

We wish to advise that we will be increasing the prices on our passenger ferries effective 5th June 2024.

Peddells Thursday Island Tours (Ferry Service) appreciate that fare increases have an impact on all of our customers, which has influenced our decision to delay these increases over recent months.

We greatly appreciate your patronage and we look forward to seeing you on board.

Effective 5th June 2024

| PASSENGER TYPE | TICKET TYPE PAY PRIOR TO TRAVEL * | FERRY FARE |
|----------------|---|------------|
| Adult | One – Way | \$70 |
| Concession | One – Way | \$35 |
| Child 5-14 yrs | One – Way | \$35 |
