

Travelling with pet dogs on ferries

 <p>OFF- PEAK ONLY TI-SEI: 6.30am SEI-TI: 3.50pm</p>  <p>on a lead and wearing muzzle, or in a secure carrier.</p>	 <p>maximum 2 dogs per person</p>  <p>please clean up after your dogs</p>
--	---

As a dog's behaviour may change in unfamiliar environments, muzzles, crates or carriers are required for pet dogs at **all times** while aboard Peddells ferries.

Muzzles must completely cover the dog's mouth, and crates and carriers must be fully enclosed in a way that prevents mouthing or nipping.

Crew may ask you and your dog/s to wait for another service due to crowding or for other operational reasons.

If you have any concerns, please discuss them with crew before boarding. If your dog becomes stressed or unwell while onboard, notify the crew and plan to disembark at the next stop. ***SUBJECT TO AVAILABILITY***
